

## Boeing Employees' Musical Performance Club

The **Boeing Employees' Musical Performance Club (BEMPC)** consists of Boeing employees, Boeing retirees, vendors, customers, contract and government personnel assigned full time to the Boeing Company, as well as their spouses and dependents. The members enjoy music and seek opportunities to share their music as a community service throughout the St. Louis area. The BEMPC consists of four groups, offering a variety of sounds and styles to fit different venues: Balladeers, Brass Quintet, Concert Band, and Jazz Band.

**The Balladeers** chorus consists of 10 to 15 vocalists and an accompanist on keyboard. The Balladeers perform patriotic themes, Broadway show medleys and some jazz. They sang the National Anthem for the Leadership Association Day at the St. Louis Cardinals game the last three years. They have also performed at various company functions, St. Louis area malls and elder-care homes.
